Presents IPD Workshop

Topic: DIGITAL CITIZENSHIP

Description: Most of today’s students are entirely comfortable with technology, but are they using it appropriately? Do they understand their roles and responsibilities in digital society? How can teachers help students become responsible digital citizens? This workshop will help teachers learn how to teach students to be safe on the internet and to create a positive digital footprint. In this session, we will discuss and explore the principles of internet privacy and safety; responsible use of electronic communications; as well as the principles of digital copyright.
